Review of Pay to Spray

- Fire went unchecked - homeowner did not pay fee
- What were reasons to pay fee?
- Main point is that IF we want a public service or public thing (like a park), we have to figure out way to pay for it. If everyone uses it, then everyone has to pay for it (shared cost across all the members of the body politic)

Servant-Leadership

Desmond Tutu on leadership - video at <https://www.youtube.com/watch?v=IrCeVwwu0Xc>
 - Leader who is also a servant - one leads BECAUSE one is a servant. NOT in position to gain - but leads in the name of... for the sake of...Great leader FOR the sake of the people - not for self-glorification - for \$. There is element of sacrifice for the people. Important element of inspiration -Inspires the followers with (what?)... Has a VISION for a better future. Somehow the leader encapsulates and somehow represents the best of the people - the aspirations OF the people.
